This Amendment and Response is in reply to the Restriction Requirement dated October 6, 2004.

Claims 5 and 11 have been amended above. No new matter has been entered and the subject matter is fully supported by the specification, drawings and claims as originally filed. Further, such amendments relate to the form of the claims, and so should not be construed in a limiting manner.

Further, claims 5 and 11 should now be considered linking claims, while claim 12 depends on claim 11. Therefore, Applicant respectfully requests that the Examiner reconsider and withdraw the restriction requirement.
